## INDEPENDENT ACCOUNTANT'S REPORT

Members of Borough Council  
BOROUGH OF MYERSTOWN  
Myerstown, Pennsylvania

We have examined the accompanying Borough of Myerstown's Wastewater Treatment Revenue Account Treatment Report, Calculation of Shared Expenditures and Calculation of Amounts Due To/From Myerstown as of and for the year ended **December 31, 2020**. The Borough of Myerstown's management is responsible for the Calculation of Shared Expenditures and Calculation of Amounts Due To/From Myerstown and Wastewater Treatment Revenue Account Treatment Report in accordance with the inter-municipal agreements. Our responsibility is to express an opinion on the Treatment Report, Calculation of Shared Expenditures, and Calculation of Amounts Due To/From Myerstown based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Calculation of Shared Expenditures and Calculation of Amounts Due To/From Myerstown are in accordance with the inter-municipal agreement, in all material respects. An examination involves performing procedures to obtain evidence about the Calculation of Shared Expenditures and Calculation of Amounts Due To/From Myerstown. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material misstatement of the Calculation of Shared Expenditures and Calculation of Amounts Due To/From Myerstown, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

The accompanying calculations were prepared to present the shared expenditures and amounts payable by Myerstown pursuant to the inter-municipal agreements described in Note 1.

In our opinion, the accompanying Treatment Report, Calculation of Shared Expenditures and Calculation of Amounts Due To/From Myerstown referred to above presents, in all material respects, the shared expenditures and amounts due from Myerstown as of December 31, 2020 and for the year then ended in conformity with the inter-municipal agreements described in Note 1.

The report is intended solely for the information and use of the parties to the inter-municipal agreements detailed in Note 1 and should not be used for any other purpose.

**NOTE 1 - INTER-MUNICIPAL AGREEMENTS**

The Borough of Myerstown maintains its Waste Water Treatment Revenue Account in accordance with the terms of two inter-municipal agreements. These agreements which govern the treatment report, calculation of shared expenditures and calculation of amounts due Myerstown are with the Township of Millcreek, the Borough of Richland, and the Richland Millcreek Joint Sewer Authority, and with Jackson Township and the Jackson Township Authority. The purpose of these agreements is to have the municipalities share the costs of the wastewater treatment facility and to specify the cost sharing of operations and future expansion.
